SocialFi Rewards Improvements

01 Fast Start Your Business

Introducing new dynamics to maximize earnings for every new Member during their first 10 weeks in the business

02 Simplify to Amplify

We've simplified commissions so Members can grow with total clarity and confidence.

03 Weekly Rank Boost

Introducing a weekly rank-advancement dynamics that creates a clear end-of-week call to action to achieve a higher rank

Connections Reward

General Rule

When you invite others to join the community they become your **Connections** and you become their **Connector**!

INSTANT
REWARD

You get paid within seconds of each transaction, anytime, with **no limits**.

As Connector you will earn

10% Instant Rewards

on every purchase made by your **Connections**, anytime and on any amount.

Connections Reward

5 weeks Challenge

INSTANT
REWARD

PROMO

Until March 2, 2026

This challenge is designed to help a new Member to Fast Start their earnings in the business.

From the **Hub Console** activation date, each Member has a **qualification window** that lasts at the end of the **following fifth full Epoch***.

** the remainder of the activation Epoch plus the next consecutive 5 Epochs/weeks*

Connections Reward

5 weeks Challenge

During this window the number of sales in your Connections set the Connection reward percentage for all your direct sales as follows

SALE	CYCLE VALUE	EXTRA WEEKS
Fewer than 3 sales** or less than 900 HV	BASE 10%	None
At least 3 sales** and at least 900 HV	BUILDER *** 15%	YES 3 WEEKS
At least 5 sales** and at least 1,500 HV	DEVELOPER *** 20%	YES 5 WEEKS

** sales to different users

*** The earned percentage applies **retroactively** to all sales made during the qualification window and then to all sales made in the extension weeks.

Community Rewards

The power
of Residual
Income

Your Reward is simple

General Rule

You and your
Connections are
part of a bigger
team that is your
COMMUNITY!

for every
cycle* of

\$100

in your Hubs

you earn
between

5 & 9 USD

*that is your
cycle value*

*A \$100 cycle occurs when there are \$100 in Hub A and \$100 in Hub B.

Community Rewards

The Cycle Value

The power
of Residual
Income

The number of
cycles within each
epoch determines
your Cycle Value.

* Value subject to fair policy, otherwise the amount is \$7"

TOTAL CYCLES / EPOCH	CYCLE VALUE
1 - 4	\$5
5 - 14	\$5.3
15 - 29	\$5.6
30 - 79	\$6
80 - 149	\$6.3
150 - 299	\$6.6
300 - 799	\$7
800 - 1499	\$7.3*
1500 - 2999	\$7.6*
3000 - 7999	\$8*
8000 - 14999	\$8.5*
>= 15000	\$9*

Community Rewards

The power
of Residual
Income

The Cycle Value

\$7
PROMO

**Through Monday, December 29,
all total cycles below 300
will be paid at a flat rate of \$7.**

Community Rewards

Recognition Rank

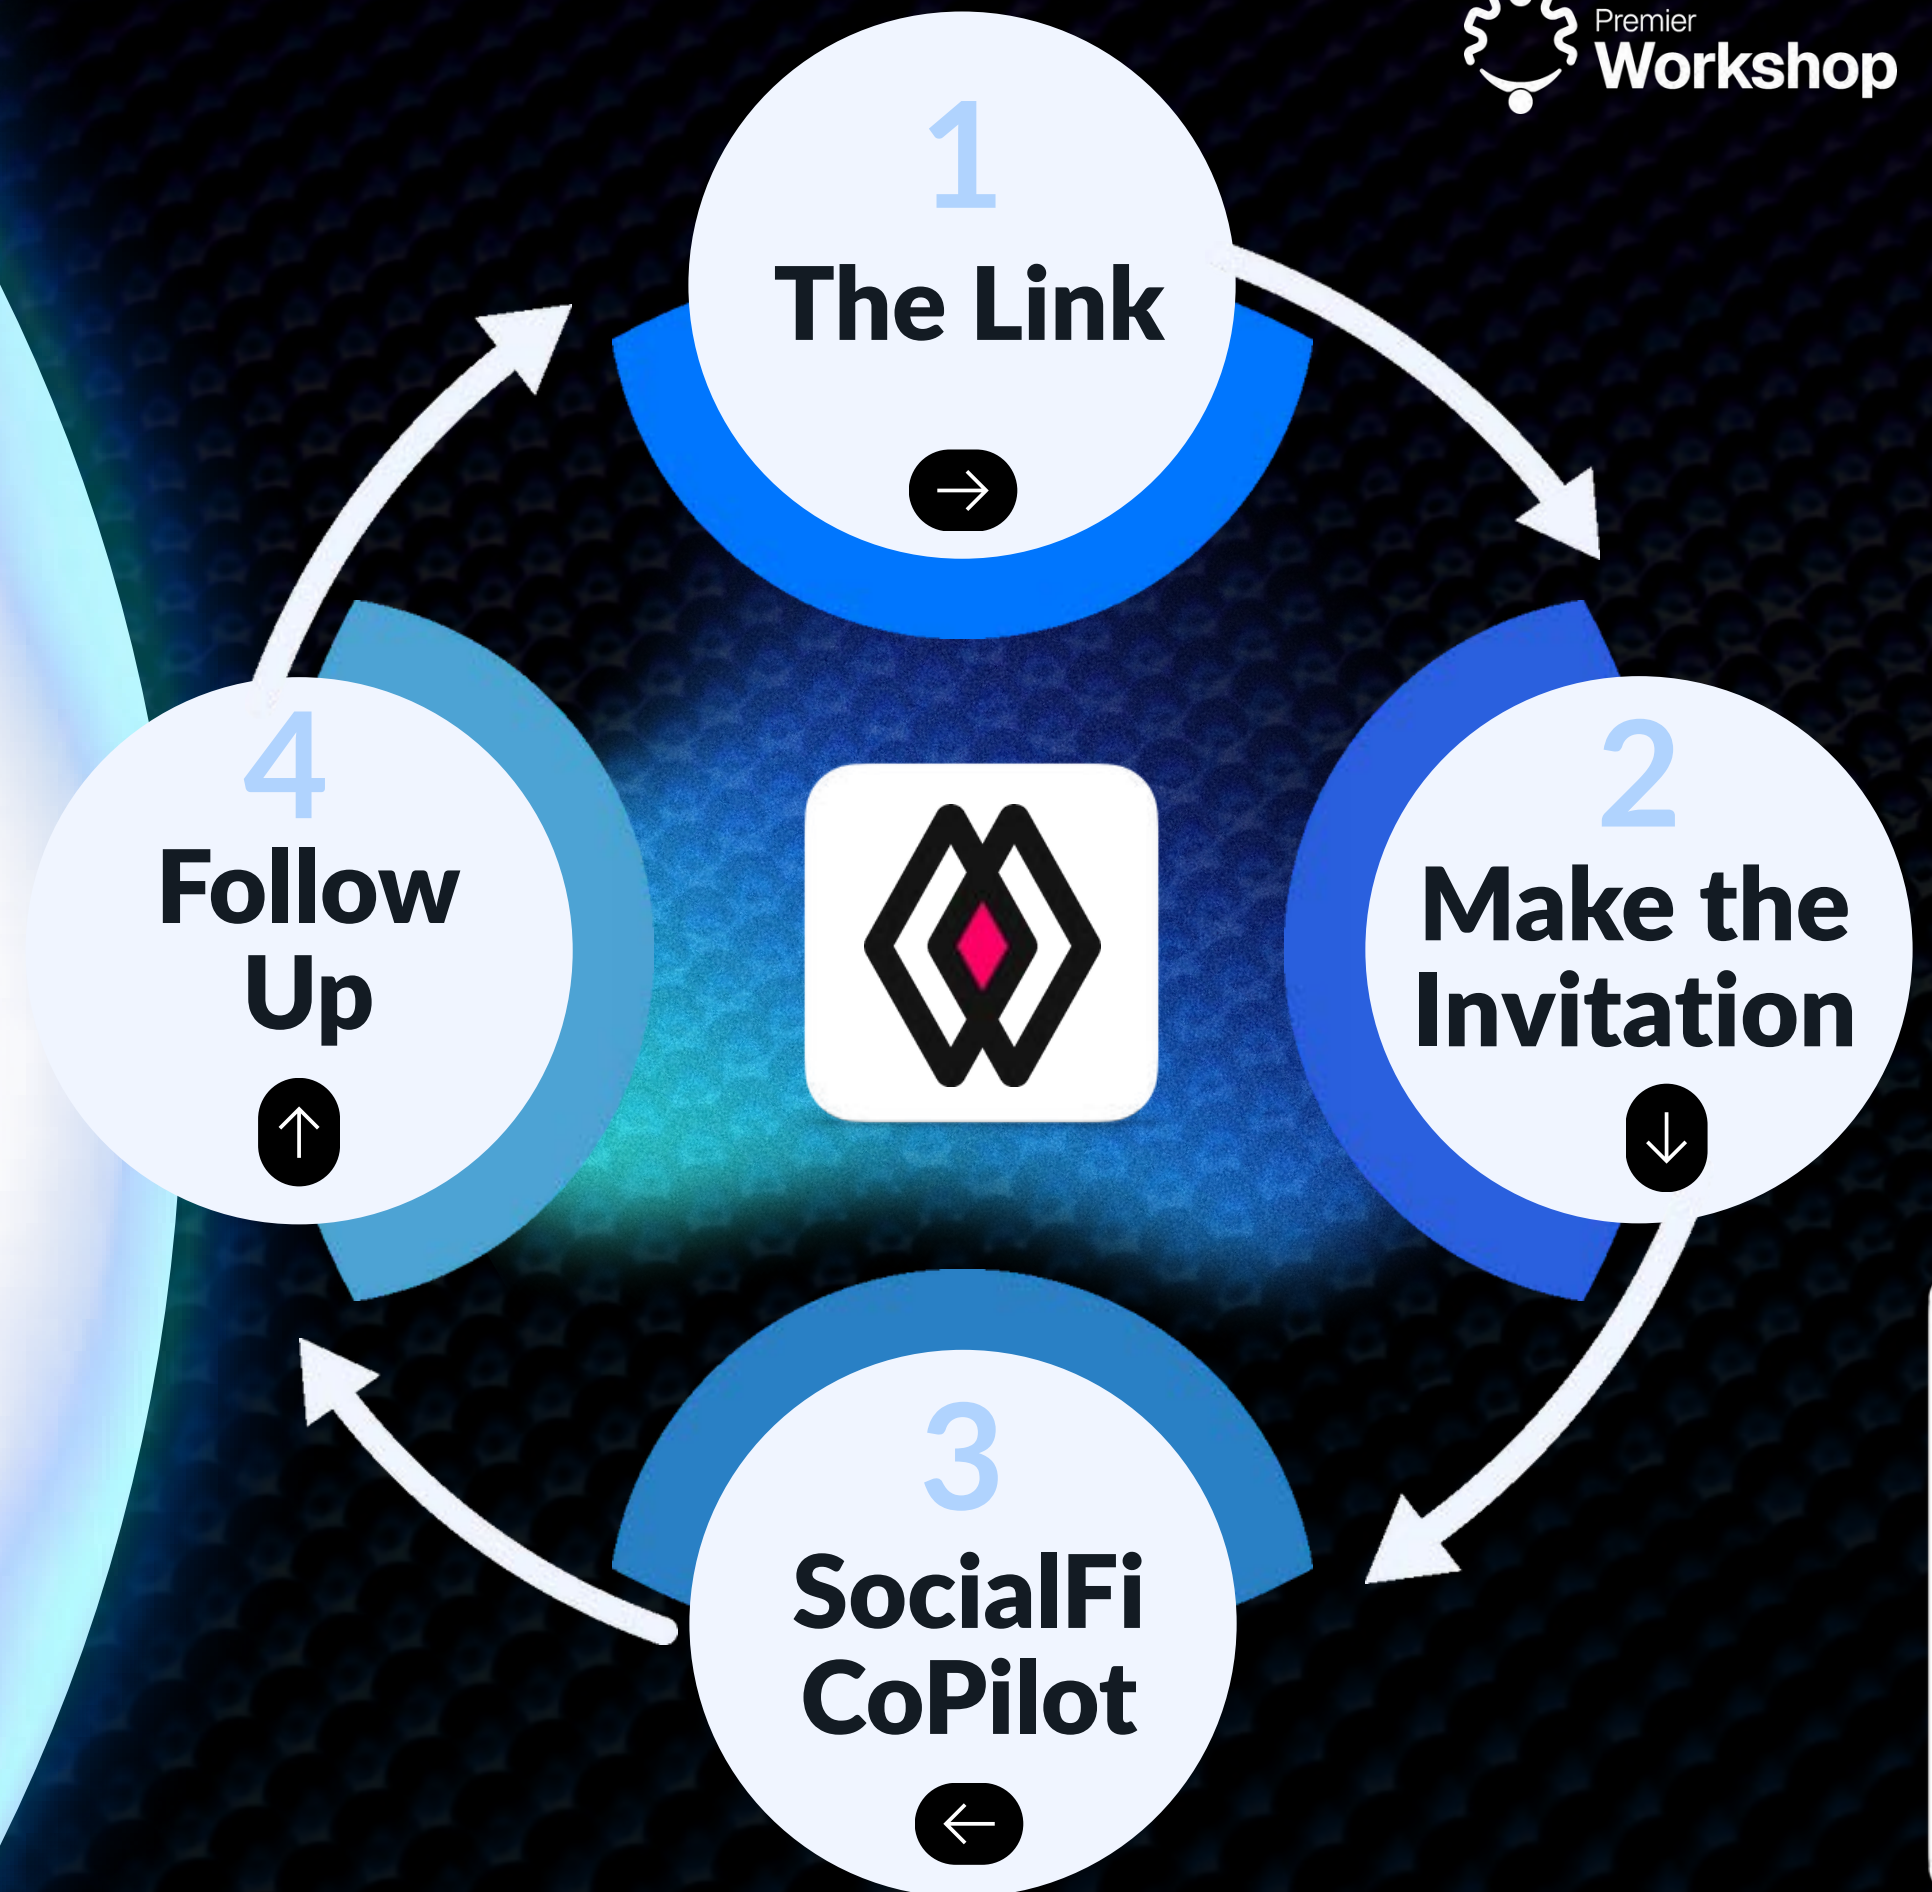

The total number of cycles per Epoch also determines your Recognition Rank.

TOTAL CYCLES / EPOCH		RANK
1 - 4		Rising 1 Star
5 - 14		Rising 2 Star
15 - 29		Rising 3 Star
30 - 79		Premier 1 Star
80 - 149		Premier 2 Star
150 - 299		Premier 3 Star
300 - 799		Elite 1 Star
800 - 1499		Elite 2 Star
1500 - 2999		Elite 3 Star
3000 - 7999		Ambassador 1 Star
8000 - 14999		Ambassador 2 Star
≥ 15000		Ambassador 3 Star

Vyvo SocialFi System

With Vyvo AI Plug In

Vyvo SocialFi System

With Vyvo AI Plug In

01. Create the Invitation Link

The Member creates the invitation link from the Vyvo SocialFi app or Back Office, customizing it with the prospect's details.

02. Send the Invitation

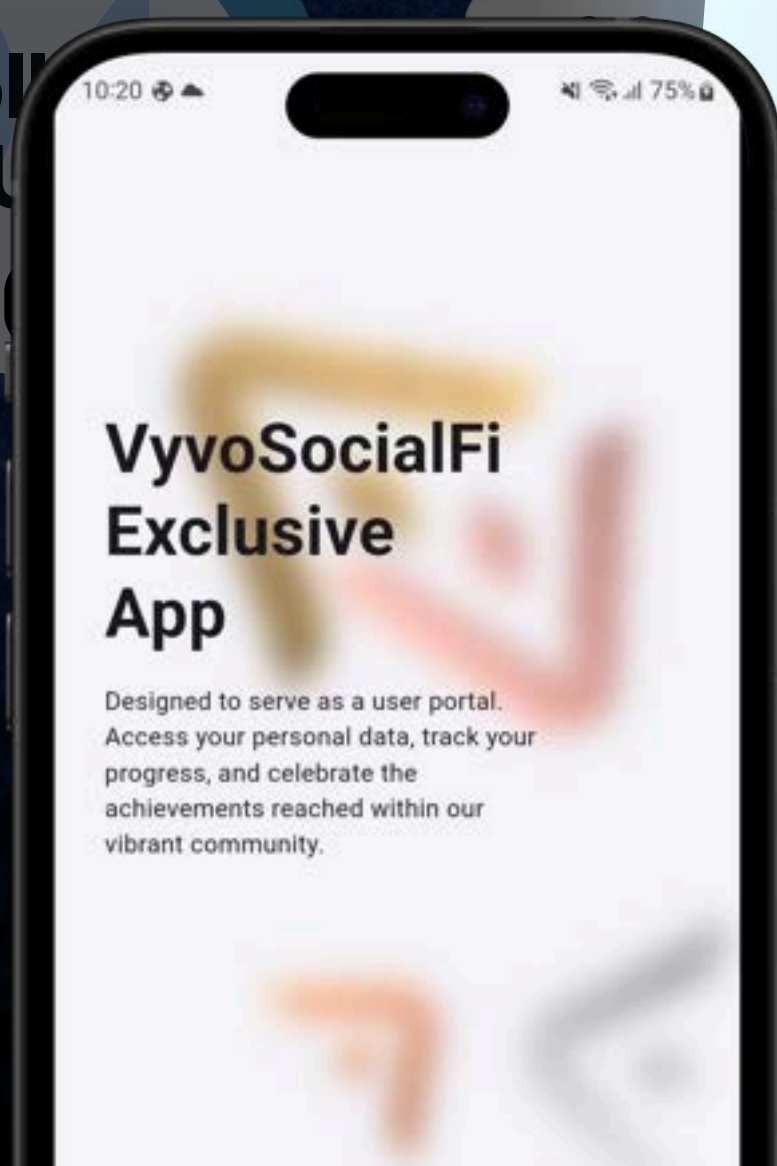

The Member invites the prospect to visit the link and shares it by using any communication channel, such as chat, email, etc.

04. Follow Up

The Member must follow up after being notified by the system about how the conversation went and whether the prospect has already decided to make a purchase.

03. Overview by SocialFi CoPilot

The SocialFi CoPilot system provides the prospect with a full overview of the product and the business.
