VSC Buyback Annual Dividend Pool

ONGOING VALUE TIED TO REAL PERFORMANCE

- Allocation parameters begin at 2% of total sales per Epoch

- Sales above Level 1 add an additional +2%

- Sales above Level 2 increase the allocation to +4%

DISTRIBUTION LOGIC

- All VSC holders receive the base 2%, proportional to the number of tokens held.

- Only Members active within the last 4 Epochs qualify for the additional 2–4%.

THANK YOU
