10 Steps to Get Started

Step 1

Sign up for a Vyvo Account

Register your account using the invitation link provided by your referrer.

Step 2

Download & Install Applications

To begin, install the following apps on your iOS or Android device: Vyvo SocialFi, inPersona Pro (App Store), inPersona (Google Play), and Vyvo Smart.

Step 3

Set up the Vyvo SocialFi App

Log in with the same email and start learning how to use the app.

Step 4

Set up the inPersona Pro App

Log in using the same email to set up your wallet.

Step 5

Order Products at the Vyvo Shop

Get your Vyvo products at shop.vyvo.com

Step 6

Set up the Vyvo Smart App

Log in using the same email and set up your health profile.

Step 7

Sync Your Vyvo Device

Connect your Vyvo device via the Vyvo Smart App to start syncing your health and activity data.

Step 8

Data NFT Minting and Device Binding

Bind the device connected to the Vyvo Smart App inside the NFT, and start transferring data.

Step 9

Odee Account Setup

By registering this account, you ensure that all earnings from the Vyvo SocialFi Rewards Program are managed and accessible.

Step 10

Educational Resources

Watch the provided videos to familiarize yourself with our community and events.

Step 1

Sign up for a Vyvo Account

Register your account using the invitation link provided by your referrer.

1. When you **receive an email or invitation link** from your referrer, click the link to begin the registration process.

2. Enter your **email address** and select your **country** to register as a Member.

3. Once your registration is complete, you will see a **'Congratulations!'** message.

Please double-check your email address to ensure it is correct.

Step 2

Download & Install Applications

To begin, install the following apps on your iOS or Android device: Vyvo SocialFi, inPersona Pro (App Store), inPersona (Google Play), and Vyvo Smart.

Vyvo SocialFi App

Access Your Personal Portal

Designed to serve as a user portal. Access your personal data, track your progress, and celebrate the achievements reached within our vibrant community.

Vyvo Smart App

Health & Fitness

Our dedicated app is your smart path to better health and well-being, powered by an A.I. platform that helps you easily access and understand your biometric and vital data in real time.

inPersona Pro App

Earn rewards with a heartbeat

A metaverse platform that incentivizes positive health and lifestyle behavior. The first Web3 dApp that uses your "heartbeat" to reward you.

Step 3

Set up the Vyvo SocialFi App

Log in with the same email and start learning how to use the app.

Log in to the Vyvo SocialFi App

1. Open the app > click 'Login Now' > **enter the same email** in the specified text box, then click 'Log in now'.
2. A One Time Password (OTP) will be sent to your email.
3. Enter the code to verify your email and access the homepage.

Basic Features of the Vyvo SocialFi App

Home

Here you will find information about your current **Award**, and the current **Epoch**.

Invitations

The invitation menu is where you can create a new Invitation Code or use an existing one in your **Hub A or Hub B** to invite people to participate in the Vyvo SocialFi Rewards.

Awards

Here you can find all the information about your Award and your **Awards History**.

Connection Reward

Here, you can find all the information about your Rewards and Reward History, organized into the following sections:

- **Connection USDV**
- **Connection VSC**

Community Reward

Here you can find all the information about your Rewards and your Rewards History, divided in:

- **Pool USDV**
- **Pool VSC**
- **Pool Shopping**

Notification

You will receive notifications through this menu.

Step 4

Set up the inPersona Pro App

Log in using the same email to set up your wallet.

Log in to the inPersona Pro App

1. Open the App > **enter the same email** in the specified text box > click 'Continue'.
2. A One Time Password (OTP) will be sent to your email.
3. Enter the code to verify your email.

Set up your inPersona Wallet

You can choose between importing an already active, compatible wallet with your **Mnemonic Phrase** or **Private Key**, or you can also **create your own wallet** in the App.

Create your wallet in-app

If you do not have an active compatible wallet follow these steps:

1. Choose a wallet name and read all the information provided, then click on **“Continue”**.
2. Click **“Reveal my secret phrase”** then **“Copy Phrase”** confirm via checkbox and click **“Continue”**.
3. Recreate the mnemonic phrase by selecting the words in the correct order. Click **“Continue”**.
4. Choose and enter a pin to encrypt your wallet. Click **“Complete”** to finish the process.

Step 5

Order Products at the Vyvo Shop

Get your Vyvo products at shop.vyvo.com

Log in to the Vyvo Shop

1. Open the website shop.vyvo.com > click 'Login'
> **enter the same email** in the specified text box
> click 'Continue'.
2. A One Time Password (OTP) will be sent to your email.
3. Enter the code to verify your email.

Step 6

Set up the Vyvo Smart App

Log in using the same email and set up your health profile.

Log in to the Vyvo Smart App

1. Open the app, **enter the same email** in the specified text box, and click 'Continue'.
2. A One Time Password (OTP) will be sent to your email.
3. Enter the code to verify your email.

Create Your Health Profile

1. Fill in the details of your **gender, height, weight, date of birth**, then click '**Next**' to proceed.

2. Complete the setup of your **goals**, then click '**Save**' to continue.

3. Once your profile has been created and you are ready to connect your device, press "**Click here to begin**" to proceed.

Helo Wellness+ Subscription

Helo Wellness+ provides you the BIA, APG, and REM Sleep premium services, and renews every 30 days. The use of the services is immediate and starts from the date of purchase and remains available for the following 30 days. Unless cancelled, your subscription automatically renews every 30 days.

Please note: All purchases are final and non-refundable. Additionally, some features may not be available in all markets.

Step 7

Sync Your Vyvo Device

Connect your Vyvo device via the Vyvo Smart App to start syncing your health and activity data.

Connect the Device to the Vyvo Smart App

1. Activate **Bluetooth** on your mobile device (Do not link the device to Bluetooth).

2. Open the Vyvo Smart app, go to the **Device page**, and select the type of device you want to pair.

3. On the Device Search page, locate and **select your specific device**.

4. Once connected, your **device will appear** on the device page.

Basic Features of the Vyvo Smart App

Data:

Access all health features and measurement records here. View your **Health Index**, **Wellness+ Subscription**, and auto-measurement frequency at the top. **Sport Modes** and connected device info are in the top-right corner.

Device:

The **device page** displays your device details and features, and allows you to manage settings or bind/unbind devices.

Info:

Access **user guides**, tutorials, support chat, and related links on this page.

Profile:

Update your **info and goals**, check subscription status, track VSC rewards, and **access settings** on this page.

Please note: Some features are not available in all markets.

Step 8

Data NFT Minting and Device Binding

Bind the device connected to the Vyvo Smart App inside the NFT, and start transferring data.

Data NFT Minting and Staking

1. On the **inPersona Pro App** homepage, locate and click on the **"Mint Your Data NFT"** button.

2. Select the **Data NFT Stake Level** you wish to mint and click the **"Mint"** button.

3. Click **"Confirm"** at the confirmation window. Once the transaction is authorized, your NFT will be available in the wallet's NFT section and in the app homepage.

Bind Vyvo Device and Data NFT

1. Open the inPersona Pro App and click on **"Bind your device"** below the Data NFT details on the homepage.

2. Enter **your pin** and confirm.

3. Select the **Brand**, and enter the **MAC address** and **UID** of your device.

4. Click **"Bind"** to complete the process.

Step 9

Odee Account Setup

By registering this account, you ensure that all earnings from the Vyvo SocialFi Rewards Program are managed and accessible.

Sign up for Odee

1. Open the website odee.com > click 'Login' **enter the same email** in the specified text box, then click 'Continue'.
2. A One Time Password (OTP) will be sent to your email.
3. Enter the code to verify your email.

Get ID Verified Through KYC on Odee

The **KYC** is requested only once, either in the **OdeePay or VyvoPay page**. Once done in one of the pages, it will reflect in the other also.

Even if you are a previous VyvoPay user, you'll have to verify via KYC again to unlock all the transfer limits.

To complete the full KYC and unlock all the limits of your cards or bands

Go on the **OdeePay or VyvoPay page**.

On the top right side of the screen, click on the **"Increase Limits"** button.

To activate OdeePay VyvoPay Card or Band

Go to the **OdeePay or VyvoPay page**, click on **Activate Card or Band**, depending on your selection.
