Distinctive Features of VAI OS Platform

1 **Built on Blockchain**
to Ensure Data Privacy and Ownership

2 **Based on Adaptive AI**
to Learn and **Evolve** with You

3 **Created with a Human Touch**
to Interact in a **Friendly** and **Proactive** Way

4 **Works like an operating system**
to integrate apps such as email, calendar,
web browser and so on...

What do current AI Models think about the potential of the VAI OS platform and the Vyvo Life CoPilot?

● ChatGPT

The **VAI OS** platform aims to create a **decentralized AI operating system** that focuses on managing **health, wellness, and lifestyle**. Being the first of its kind, it emphasizes user control over **data** and **privacy**, along with personalized health insights and recommendations from the **VyvoAI Life CoPilot**.

VAI OS will have implications across all sectors, potentially reshaping how we develop, deploy, and benefit from AI technologies. In other words, the significance would be profound.

Overall, the first **decentralized AI operating systems**—like the one **VyvoAI** might be pursuing—could represent a complete paradigm shift.

● Elon Musk's GROK 2

VyvoAI Life CoPilot could challenge existing **AI assistants** by setting a new benchmark for **privacy, personalization, and user control**. It might encourage a competitive shift towards more secure, user-empowering AI solutions.

The **VAI OS** platform aims to provide deep, personalized health insights and management tools, which could be revolutionary for personal health monitoring.

In summary, **VyvoAI Life CoPilot** could be pivotal in redefining the relationship between users and AI, emphasizing user agency, privacy, and a highly personalized interaction model.

Community Rewards

The power
of residual
income

You and your Connections are part of a larger team—your Community.

Every time someone in your Community makes a purchase, it generates Rewards that benefit the entire group.

You can earn **3.5%** from all the sales across the entire Community.*

These Rewards can grow significantly thanks to the Vyvo AI subscription model.

The larger your Community, the greater your residual income.

**The 3.5% earnings is multiplied by the share value that the Company assigns to each Epoch.*

Lifestyle Rewards

Every year you can qualify for travel incentives and global recognition events

Enjoy exclusive experiences in breathtaking destinations around the world.

More than just travel—it's meaningful time with people who share your vision.

AI's Rise Is Fueled by One Thing: GPU Computing Power

Vyvo is building a global, decentralized **GPU Cloud** to meet the exploding demand for **AI** services powered by the **VyvoAI Life CoPilot**.

Dallas, Texas, USA
Our first **GPU** farm went live
in March 2025.

**Built for the Community,
owned by the Community**

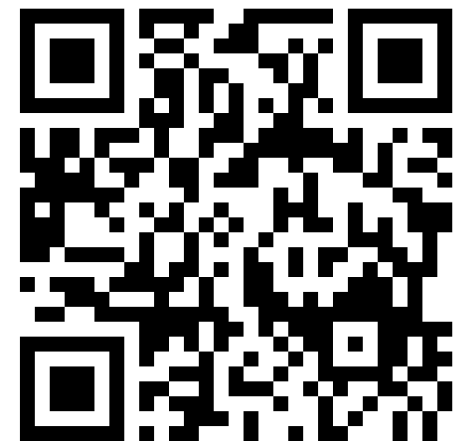

What's normally a cost center is now a shared **business opportunity**—because at **Vyvo**, we build everything with and for our **community**.

An additional 2,500 clusters are now available—for a limited time.

Any Vyvo Member with a pre-paid VyvoAI Life CoPilot subscription can co-own GPU Clusters, support our decentralized GPU Cloud Network, and earn from it.
