Your Health Data as a Digital Asset

Key Benefits

Scan to learn more about Data NFTs

Personal Impact

Monitoring your health data helps you understand more about yourself and potentially take early action for a healthier future.

Economic Value

Convert your health insights into tradable Data NFTs, turning personal data into financial gains.

Research Contribution

Your anonymous data supports critical medical research, advancing global health solutions.

Controlled Privacy

Secure your data with NFTs, ensuring full control over its access and usage.

Vyvo Smart Chain: Simplifying Blockchain Validation

Harnessing Hybrid Validation for Trusted Transactions and Data Integrity

What is VSC?

VSC is a specialized Layer-1 blockchain designed to ensure secure and efficient operations.

Proof of Stake (PoS)

Ensures quick and secure validation of transactions and block creations.

Proof of Sensing (PoSe)

Authenticates data from Vyvo's wearable devices and IoT technology.

Social Impact of VSC

Community First: Over 50% of all $VSC is allocated for rewards, directly benefiting our Members.

Understanding Residual Income with Vyvo SocialFi

Leveraging Effortless Earnings for Financial Independence

What is Residual Income?

Residual income is the continuous earnings generated from past activities or investments, requiring minimal ongoing effort. It's income that continues to flow after the initial work or investment is done.

Why is Residual Income Important?

Residual income is crucial because it provides financial stability and freedom, allowing individuals to earn money continuously without actively working, paving the way for long-term financial security and independence.

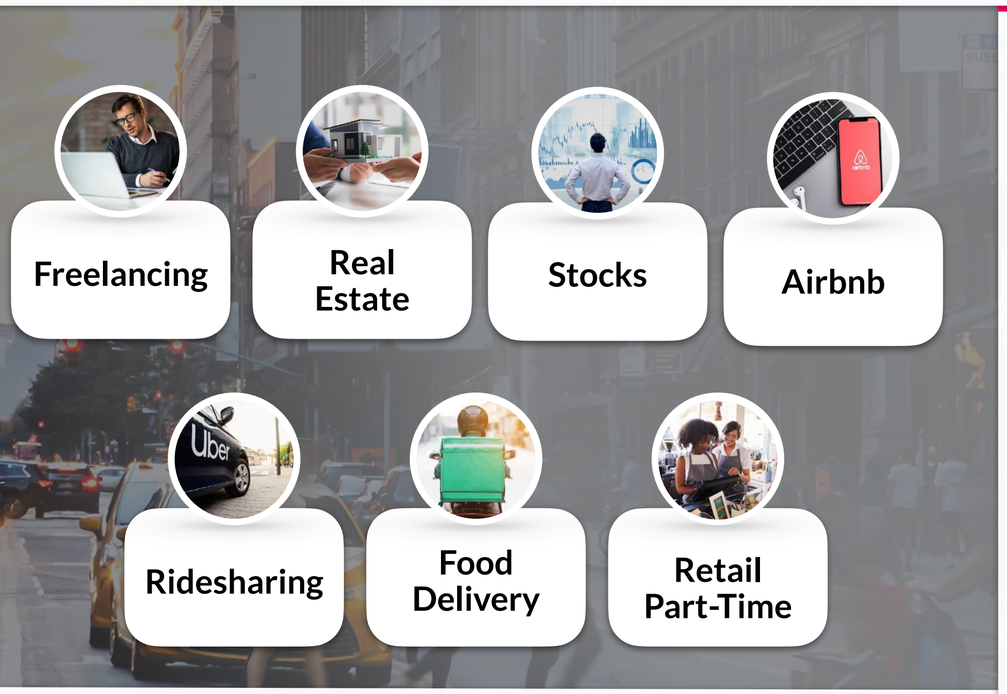
Beyond Traditional Side Gigs

Discover Vyvo SocialFi's Unique Advantages

Traditional

vs.

Vyvo SocialFi



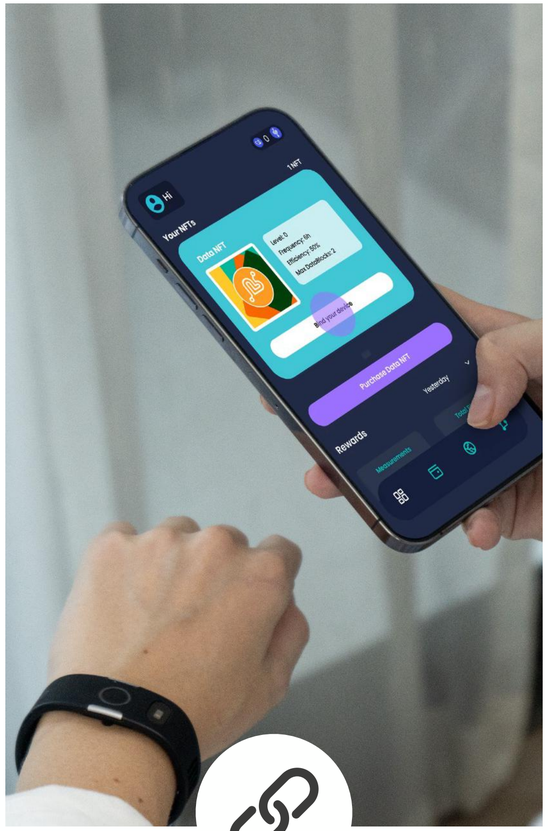
These require major time or money investments — from the risks of stocks and real estate to the demanding hours of ridesharing and minimal earning from food delivery.

- Global Community
- Effortless Earnings
- Residual Income
- No Inventory Worries
- Low Risk
- Enhanced Lifestyle
- Already Mining
- Market-Ready Tools
- Work Flexibility
- No Direct Boss
- Timely Payouts

Vyvo SocialFi Simplified

How It Works

When you wear a Vyvo device, it collects a wealth of important health data.



By linking your device with our app and Data NFT, we ensure your health data remains private and secure through our blockchain technology.

Once your data is secure, it can be shared via our Decentralized Digital Health Platform and you earn $VSC coins!

From Traditional to Digital

Old World vs. Modern Era

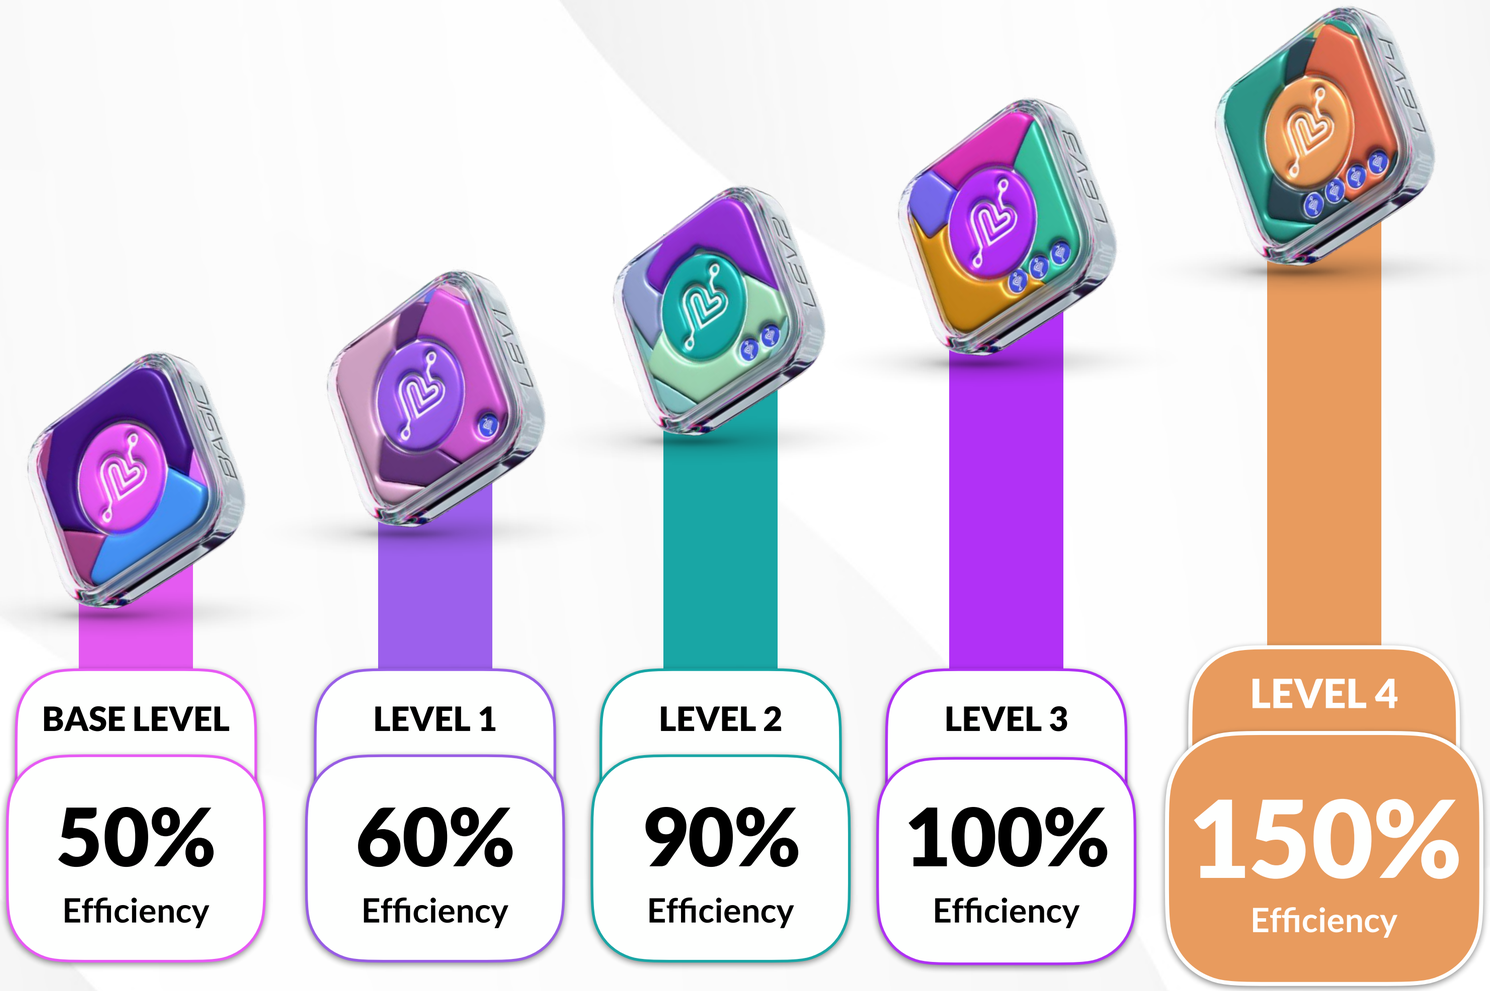
Taxi Companies	Uber | Grab | Lyft
 Hotels	Airbnb
Bank and Finance	Dex | DeFi
PayPal	Crypto Wallets
Web 2.0 | e-commerce	**Web3 | inPersona dApp**
MLM | Direct Selling	VYVO SocialFi

CONNECT

Start mining by connecting with an exclusive invitation code and selecting your mining power.

Download the
inPersona App today!

GET IT ON Google Play | Download on the App Store | APK file



Data block creation. If you generate data for 10 data blocks, but your efficiency is 50%, you get credit for 5 data blocks. 150% efficiency creates 3x blocks compared to 50%.

CONNECT

Stake a specific amount of VSC to choose your data mining level, from Basic up to Level 4

This NFT is your crypto identity and protects your digital assets. Simply keep your device turned on and on your wrist to maximize your mining.

Basic
USD $15 worth of $VSC required to be staked

Level 1
USD $325 worth of $VSC required to be staked

Level 2
USD $1000 worth of $VSC required to be staked

Level 3
USD $2000 worth of $VSC required to be staked

Level 4
USD $3000 worth of $VSC required to be staked

WEAR

Wear a Vyvo device and link it to the Data NFT

Monitor your health seamlessly and securely with our cutting-edge wearable technology.

VyvoPay Chip Built-In

Make secure payments on the go, directly from your device, for ultimate convenience.

Easy Start Power Button

Simply press to power on your journey towards health monitoring and connectivity.

Comprehensive Health Monitoring

Includes sensors for blood pressure (BP), oxygen levels (SpO2), and arterial photoplethysmography (APG) to keep a close watch on your vital signs.

WEAR

Advanced, yet Simple

Continuous and on-demand tracking of your health and wellness. Choose from various award-winning designs.

Instant health insights with BioSense™. Just place your fingertip on the clinical-grade sensor. In seconds, view your health metrics directly on your smartphone app.

EARN

The calculated VSC mining daily value will be credited to you.

Data NFT Stake
LEVEL 1

USD $325 worth of $VSC

Name: *Julie*
Age: *27*
Occupation: *Freelance Graphic Designer*
Benefit: *Appreciates the flexibility of earning residual income while pursuing her creative projects, thanks to Vyvo SocialFi's effortless data monetization.*

Data NFT Stake
LEVEL 4

USD $3000 worth of $VSC

Name: *David*
Age: *45*
Occupation: *Real Estate Agent*
Benefit: *Values the security and privacy of his health data, while benefiting financially from the transparent and trustless DeFi features.*

Exchange or withdraw your earnings through an approved centralized or decentralized trading platform!

Understanding Vyvo Coin ($VSC) and its Uses

Compelling rewards in the Vyvo ecosystem.

Digital Currency

Vyvo Coin ($VSC) is the primary currency on the Vyvo Smart Chain, functioning as a medium of exchange within our ecosystem.

Versatile Use

Use $VSC for staking and accessing decentralized applications (dApps) on the network.

Rewards for Data

Earn $VSC by sharing health data via Vyvo-compatible devices. This builds our Decentralized Data Health (DDH) Platform.

Data NFT

Each user's Data NFT, linked to their IoT device, secures and anonymizes their health data, facilitating safe data sharing and rewards.

Empower and Earn

Building Healthier Communities Together

Collaborate with Vyvo and impact a healthier future. As a key part of our thriving community, you'll benefit from your data mining and enhance our collective success via our unique community pool.

Each data miner contributes 50% of their mining rewards to this pool, redistributed based on individual performance. Your participation does more than grow your finances—it advances our shared mission to give power back to the people and improve global health.

Together, we're data mining for a better world!

Community Awards and Recognition

At Vyvo, we're not just keeping pace with trends; we're championing the ones that matter.
Our commitment is to future-forward innovations that make a lasting impact on society.

Beyond Earnings

Become a Vyvo Influencer and impact the world through your passion for our mission.

Start Mining

Easily earn from daily activities and health data; every action adds value.
